

FROM PRODUCTION: Embroidery

Did you know BRI embroiders? Here are a few embroidery fun facts:

- The first needles were crafted from bone.
- Ancient embroidery was a sign of status.
- The first embroidery machines were invented in the early 1800s.

Birthdays

Come check out the new apparel section in the BRI shop! There's plenty of sizes, styles, and colors to choose from!

Easter Trivia - The answers are on the bottom of the 2nd Page upside-down.

Question #1: The first Easter eggs were dyed what color?

Question #2: While the Easter Bunny brings children eggs in the U.S., what sort of critter delivers the goods in Westphalia, Germany?

FROM PRODUCTION: Keeping Spirits High

It's time to get your winter jackets back out. Chad B and Kyle H bundled up for the next snow fall.

Haley P, Dennis M and Mike P share a morning chat!

FROM DAY SERVICES: Always Lend a Helping Hand

Seth E. took it upon himself to assist in tying Barb K.'s shoelaces while waiting for the BRI bus to go on their Day Services outing. Seth has showed us that no matter what, there is always a chance to help someone out. Lets pay it forward with small acts of kindness.

Easter Trivia Answers:

Question #1 Answer: Red

Question #2 Answer: Fox
